

OT8 BIOLOGICAL OIL STAIN REMOVER

What is OT8?

Best selling OT8 is a biological solution for the removal of oil stains.

OT8 digests old stains from hard surfaces and porous blockwork, including floors, road surfaces, forecourts, driveways and equipment.

Hong Kong Airport

AFTER

Application

Water wet the oil stain. Prior to use, shake OT8 bottle to put the bacteria into suspension, then pour over the oil stains. Brush in vigorously with a hard brush until the liquid changes colour from white to a dark brown. Leave in place for 15-20 minutes and rinse off for an oil free surface. Repeat if necessary.

Available pack sizes:
1L, 5L and 20L

7 reasons to choose OT8

- 1. Powerful and effective**
Removes stains from even the most porous of surfaces
- 2. 100% Natural**
Biological solution that digests oil into harmless CO₂ and water
